DAILY UPDATE 1 : IMPORTANT DAY

### **World Veterinary Day 2024 : 27 April :-**

Once a year, the final Saturday of April is designated as World Veterinary Day to honour the tireless work of veterinarians around the world. The day recognizes the veterinarians' societal duties and responsibilities. This year's World Veterinary Day will be held on April 27. The World Veterinary Association (WVA) was founded in 1959 in Madrid, Spain. It was the WVA which came up with the World Veterinary Day in the year 2001. As of 2023, the association boasts of members from more than 70 countries and national veterinary associations from across the globe. The theme of World Veterinary Day 2024 is 'Veterinarians are Essential Health Workers'.

**Prabowo Subianto Declared Indonesia's President-Elect Amid Controversy :-**

## Breakthrough Point

Indonesia's electoral commission declared Prabowo Subianto president-elect in a ceremony after the country's top court dismissed challenges to his overwhelming victory filed by two losing presidential contenders. Mr. Subianto, who is presently the defense minister, won the election with 58.6% of the vote, or more than 96 million ballots, more than doubling the total received by the other two contenders. But his rivals alleged that his victory had depended on large-scale fraud and widespread state interference.

### SEBI Approval For CRISIL's ESG Ratings Unit :-

The Securities and Exchange Board of India (SEBI) has designated Crisil ESG Ratings & Analytics as a Category 1 provider of environmental, social, and governance (ESG) ratings. Crisil ESG Ratings, a Crisil subsidiary, was established after Sebi revised the SEBI (Credit Rating Agencies) Regulations, 1999, to include provisions for ESG Rating Providers (ERPs) last year. The rating provider launched its ESG scoring business in 2021 and now tracks over 1,000 companies across 65 sectors. The company said this business will now be transferred to the subsidiary Crisil ESG Ratings.

### **Passport Affordability Rankings: Indian Passport Second Cheapest, UAE Tops :-**

A recent survey undertaken by the Australian organization Compare the Market AU showed surprising findings about global passport affordability and accessibility. According to the survey, the Indian passport is the second cheapest in the world, with the UAE passport being the most affordable. In terms of cost per year of validity, the Indian passport is the most cheap option, costing only \$1.81 per year. This places India ahead of countries like South Africa and Kenya, offering passport holders significant savings over time.

### **Reliance Jio becomes world's largest mobile operator in data traffic :-**

Reliance Jio, India's leading telecom operator, has overtaken China Mobile as the world's largest consumer of mobile data traffic. Tefficient, a worldwide analytics business, reported that Jio's network handled 40.9 exabytes of data in the first quarter of 2024, compared to China Mobile's 38 exabytes. Jio has the world's second-largest 5G subscriber base, with 108 million users. However, Jio's rapid subscriber growth, driven by its JioBharat value plans and promotional unlimited 5G offers, has impacted its average revenue per user (ARPU).
