### **Oxford Economics' Global Cities Index: Delhi Leads Indian Rankings :-**

Delhi was listed as the highest-ranked Indian city in Oxford Economics' 1,000 global cities survey, ranking 350th overall. Despite this impressive position, several other Indian cities are much lower on the list. The survey states that Delhi beat Mumbai in a variety of metrics, including economics, human capital, and quality of life. However, Delhi lagged in the Environment category, ranking 973rd, which was the second-worst among Indian cities, surpassed only by Sultanpur in Uttar Pradesh, which ranked 989th.
