DAILY UPDATE 1 : IMPORTANT DAY

World Oceans Day : 08 June :-

World Oceans Day is an annual event held on June 8. The day is intended to raise awareness about the need of maintaining and safeguarding maritime resources. It also recognizes the numerous ways in which mankind and wildlife rely on oceans. World Ocean Day was first proposed in 1992 by Canada's International Centre for Ocean Development and the Ocean Institute of Canada during the Earth Summit in Rio de Janeiro, Brazil. In 2008, the UN General Assembly passed an official resolution to mark June 8 as World Oceans Day. "Awaken New Depths" is the theme for World Oceans Day 2024.

BRAIN TUMOR DAY
JUNE 8

World Brain Tumour Day : 08 June :-

World Brain Tumor Day, observed on June 8, raises awareness and educates people about brain tumours. A brain tumor is a large collection of abnormal cells in the brain. There are several types of brain tumors. Some are noncancerous while others are cancerous. Cancer can start in the brain or spread to other parts of the body, resulting in secondary brain tumors. German Brain Tumour Association (Deutsche Hirntumorhilfe e.V.), a nonprofit organisation, first marked this day in the year 2000 to spread awareness about brain tumor among the general public. The theme of World Brain Tumour Day 2024 is 'Brain Health and Prevention'.

A PARTNER FOR LIFE

SBI Mutual Fund Becomes First To Top Rs 10 Trillion In Assets Under Management :-

SBI Mutual Fund (SBI MF) created history as the first fund firm in the country to reach Rs 10 trillion in assets under management (AUM). The industry leader has successfully navigated the post-pandemic equity boom and capitalised on growing interest in mutual fund investing. The sharp growth in SBI MF's AUM, alongside the overall industry, has been driven by the equity market rally and expanding MF investor base. The growth in MF AUM hinges on both the appreciation in assets held by schemes and fresh inflows.
